BAIRD  
RANCH

**2004 Bay Gelding  
by Blazing Hot**

"JR" is your next all-around horse – perfect for any rider. He will shine in the patterns classes & wants to please everyone. He has the mind that people can only wish for in a show gelding. He was ready to show in April, as he has had 1.5 years of professional training by Bruce Vickery. Original plans included multiple outings, however the second show horse is currently leading the nation & focus turned directions. JR is a 2004 bay gelding standing 15.2 hands. He is sired by the leading stallion – Blazing Hot out of a Mr Red Baron mare. (Mr Red Baron was a multiple Superhorse.) This combination was carefully selected to provide the extra bone & strength to produce a sturdy all-around combination. His breeder believes in the 'Power Of The Mare' and breeds to only the top stallions throughout the country selecting the perfect combinations. JR was not pushed & will be 'Green' ready in all events for your title run!
